

**AMENDED AND RESTATED  
ASSIGNMENT AND ASSUMPTION AGREEMENT**

AMENDED AND RESTATED ASSIGNMENT AND ASSUMPTION AGREEMENT (this "Assignment"), dated May 9, 2013, to be effective for all purposes as of February 13, 2012, by and between Aurora Bank FSB (f/k/a Lehman Brothers Bank, FSB), a federally chartered savings bank ("Aurora"), Aurora Loan Services LLC, a Delaware limited liability company and wholly-owned subsidiary of Aurora ("ALS"), and Lehman Brothers Holdings Inc., a Delaware corporation (the "Assignee"). (This Amended and Restated Assignment and Assumption Agreement amends and restates, in its entirety, the Assignment and Assumption Agreement dated February 13, 2012):

WHEREAS, each of Aurora and/or ALS, as applicable, is a party to loan purchase agreements (collectively, the "Loan Purchase Agreements") with certain third-party correspondents that originated closed-end residential mortgage loans ("Mortgage Loans") and then sold such Mortgage Loans to ALS and/or Aurora (collectively the correspondents that are parties to the Loan Purchase Agreements, the "Sellers"), including but not limited to those Sellers set forth on Schedule A attached hereto;

WHEREAS, subsequently, certain of the Mortgage Loans were sold, transferred and conveyed to the Assignee ("Transferred Mortgage Loans");

WHEREAS, previously, Aurora transferred and assigned all of its right, title and interest under the Loan Purchase Agreements with respect to certain of the Transferred Mortgage Loans to the Assignee pursuant to (i) an assignment agreement by and between Aurora and the Assignee dated September 2, 2008, as may have been amended from time to time thereafter, and (ii) other similar assignment agreements with respect to the Transferred Mortgage Loans that may have been entered into by and between Aurora and the Assignee, if any (collectively the assignment agreements described in preceding clauses (i) and (ii), the "Assignment Agreements");

WHEREAS, Aurora, ALS and the Assignee each desire that all right, title and interest under the Loan Purchase Agreements with respect to the Transferred Mortgage Loans not previously assigned to the Assignee pursuant the Assignment Agreements now be transferred and assigned to the Assignee, as the Sole Beneficial Owner (as defined below);

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants and agreements contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Aurora, ALS and the Assignee, intending to be legally bound, each hereby agrees as follows:

1. Aurora and ALS each hereby grant, transfer and assign to the Assignee, as the Sole Beneficial Owner (as defined below), all of its rights, title, obligations and other interests under the Loan Purchase Agreements with respect to the Transferred Mortgage Loans that have not previously been assigned to the Assignee pursuant to the Assignment Agreements (collectively, the "Newly Assigned Rights and Obligations"), and the Assignee hereby accepts and assumes such grant, transfer and assignment of all such Newly Assigned Rights and

Obligations and agrees to duly perform, as applicable, all such Newly Assigned Rights and Obligations.

2. Aurora, ALS, and the Assignee agree to amend Schedule A from time to time to include any Sellers that are parties to Loan Purchase Agreements as of the date hereof but not already included on such schedule.

3. The Assignee hereby represents and warrants to, and covenants with, each of Aurora and ALS that:

a. The Assignee is the sole party with any beneficial interest under the Loan Purchase Agreements with respect to the Transferred Mortgage Loans (the "Sole Beneficial Owner").

b. The Assignee has full power and authority to execute, deliver and perform under this Assignment, and to consummate each of the transactions set forth herein. The execution, delivery and performance by the Assignee of this Assignment, and the consummation by it of the transactions contemplated hereby, have been duly authorized by all necessary corporate action of the Assignee and any other governmental or court approval, including but not limited to any required bankruptcy court approval. This Assignment has been duly executed and delivered by the Assignee and constitutes the valid and legally binding obligation of the Assignee enforceable against the Assignee in accordance with its terms.

c. The Assignee has in its possession and/or has been provided with all information related to the Loan Purchase Agreements that it deems necessary in connection with its negotiation and execution of this Assignment.

d. The Assignee's address for purposes of all notices and correspondence related to this Assignment is:

4. This Assignment shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns.

5. The Assignee agrees to indemnify and hold harmless Aurora and ALS and their respective directors, officers, employees and agents from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, that may be imposed on or asserted against it or them as a result, or in any way arising out, of this Assignment, and/or the Loan Purchase Agreements (collectively, "Damages"). If Aurora or ALS receives written notice of the commencement or assertion of any suit, summons, complaint, discovery request, subpoena, or other legal procedure or proceeding made or brought against it or them with respect to which the Assignee is obligated to provide indemnification under this Assignment (a "Proceeding Subject to Indemnification"), Aurora or ALS, as applicable, shall provide the Assignee with reasonably prompt notice thereof; provided, however, that the failure to give such prompt notice shall not relieve the Assignee of its indemnification obligations hereunder, except and only to the extent it is actually prejudiced by reason of such failure. Assignee shall have the right to choose and to directly pay legal counsel to represent Assignor in the Proceeding Subject to Indemnification; provided, however, that the Assignee shall not have the right to defend or direct the defense of a Proceeding Subject to Indemnification (i) in which any governmental agency, regulator or other similar entity is a party, or (ii) that seeks an injunction or other equitable relief against Aurora and/or ALS that (x) is potentially applicable to parties other than or in addition to the parties to such Proceeding Subject to Indemnification, or (y) is not directly related to the specific conduct alleged and claims asserted in such Proceeding Subject to Indemnification, or (z) may materially affect the assets, or materially limit or otherwise materially affect the business or operations, of Aurora and/or ALS, or (iii) in which there exists a conflict of interest between Aurora and/or ALS, on the one hand, and the Assignee on the other, which conflict Aurora and/or ALS, as applicable, in good faith determines cannot or should not be waived. If Aurora and/or ALS has a good faith objection to the legal counsel chosen by Assignee, Aurora and/or ALS, as applicable, shall promptly notify Assignee in writing of the reasons therefor, upon which the Assignee shall choose another legal counsel reasonably acceptable to Aurora and/or ALS. Aurora and/or ALS shall have the right to participate in the defense of any Proceeding Subject to Indemnification with counsel selected by it and at its own cost and expense, subject to the Assignee's right to direct and control the defense thereof. If the Assignee elects not to defend such Proceeding Subject to Indemnification or fails to diligently prosecute the defense of such Proceeding Subject to Indemnification, Aurora and/or ALS, as applicable, may, subject to the terms hereof, defend such Proceeding Subject to Indemnification and seek indemnification for any and all Damages based upon, arising from or relating to such Proceeding Subject to Indemnification. Aurora and/or ALS, on the one hand, and the Assignee, on the other, shall cooperate with each other in all reasonable respects in connection with the defense of any Proceeding Subject to Indemnification. If notwithstanding the foregoing, Aurora and/or ALS otherwise choose(s) to have its/their own legal counsel represent it/them in a Proceeding Subject to Indemnification, such defense shall be at its own cost and the Assignee shall have no duty to indemnify Assignor for any legal fees or costs incurred in the Proceeding Subject to Indemnification.

Notwithstanding any other provision of this Assignment, the Assignee shall not enter into settlement of any Proceeding Subject to Indemnification without the prior written consent of Aurora and/or ALS, as applicable (which consent shall not be unreasonably withheld or

delayed), except as expressly provided below. If a firm offer is made to settle a Proceeding Subject to Indemnification without imposing any liability or financial or other obligation on Aurora and/or ALS and provides for the unconditional release of Aurora and ALS from all liabilities and obligations in connection with such Proceeding Subject to Indemnification and the Assignee desires to accept and agree to such offer, the Assignee shall provide written notice to that effect to Aurora and ALS. If Aurora and/or ALS, as applicable, fail(s) to consent to such firm offer within ten (10) business days of its receipt of such notice, the Assignee may settle the Proceeding Subject to Indemnification, on behalf of the Assignor, upon the terms set forth in such firm offer to settle. If Aurora and/or ALS has/have assumed the defense pursuant to this terms of this Assignment, it shall not agree to any settlement without the written consent of the Assignee (which consent shall not be unreasonably withheld or delayed).

6. This Assignment embodies the entire agreement of Aurora, ALS and the Assignee with respect to the transactions consummated hereby and supersedes and replaces all prior and contemporaneous negotiations, understandings, representations and writings relating thereto.

7. This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to any conflict of law or choice of law principles thereof.

8. This Assignment may be executed in counterparts, each of which shall be deemed an original agreement, and all of which together shall be deemed to constitute one and the same instrument.

9. Signatures on this Assignment may be communicated by facsimile or electronic (pdf) transmission and shall be binding for all purposes upon the parties hereto.

10. No waiver, modification or amendment of any provision of this Assignment shall be effective unless specifically made in writing and duly signed by each of the parties hereto.
